[Kx 3550 Dsp For Audigy 2 Zs Download](#)

The screenshot displays a Windows desktop environment with several audio-related windows open. The 'kx Mixer' window is prominent, showing settings for AC97 Pass thru Mode (Off), S/PDIF Frequency (48000), and S/PDIF Recording (Off). Below the mixer, the 'kx DSP' window shows a complex audio signal flow diagram with various processing blocks like EQ, mixers, and delays. To the right, a music player window displays a playlist for 'Within Temptation - The Swan Song' with 25 tracks. The desktop background is a scenic image of a building by water. System tray icons show volume at 32%, date and time as 10:29 PM on Monday, November 15, and network status.
